

REQUIREMENTS

Must be a teacher from PSHS, obviously.. Please include your **name and handwritten signature on bottom of the letter.**

REMEMBER...

Be sincere. Many teachers keep and cherish the letters they receive. Feel free to **include art, pictures, or anything special!**

REQUIREMENTS

Should be **AT LEAST half a page double spaced.** But this is a **bare minimum.** If you really love your teachers show them!

REMEMBER...

Write the **teacher's full name and subject they teach at the top of the letter** so there's no lost letters, or so that it doesn't end up with the wrong teacher :(

HONOR TEACHER LETTER

Yeah, you're smart...but we want you to "honor" the people that have contributed to your success.

When you walk in the door wanting to be **ANYWHERE** else, what is the class that makes it just a little better? Who is the teacher that makes the mandatory 50 minutes at least a little tolerable?

Write a note of thanks to one teacher for whom you are especially grateful to be stuck with.

Your Honor Teacher Letter is due when you turn in your point sheet at the end of each semester. You **must write to a different teacher each semester.**
Share the love!
